Master of Public Health, Epidemiology December 2007
University of Illinois, Chicago, IL

Bachelor of Science, Chemistry and Biology December 2005
University of Minnesota, Twin Cities, MN

South High School, Minneapolis, MN June 2003

WORK EXPERIENCE

Data Reporting Analyst Jan 2010 - Present
Hennepin County Medical Center, Minneapolis, MN

Data Analyst July 2008 - Jan 2010
Allina Hospitals and Clinics, Minneapolis, MN
Provide analytic support and ensure data integrity for the safety surveillance system, patient complaints, and strategic clinical initiatives. Work with stakeholders to define/analyze measures across multiple data streams.

Counseling, Testing, and Referral Coordinator Aug 2008 - Dec 2008
District 202, Minneapolis, MN
Created and managed HIV testing program for high risk youth through Department of Health grant. Performed pre-/post-test counseling, rapid HIV testing, and provided referrals as needed. Built relationships with area organizations to continue testing after end of grant.

Clinical Coordinator Sept 2006 - July 2008
Department of Surgical Oncology, University of Illinois-Chicago
Assist Administrative Director with tasks necessary for the general operation of clinical and research activities. Responsible for overseeing billing, ensuring compliance with hospital and Joint Commission standards, and preparing reports relating to clinical care and operations.

Teaching Assistant Aug 2007 - Dec 2007
Department of Epidemiology, University of Illinois-Chicago
Taught two lab sessions of 20 students for graduate-level SAS course. Provided individual tutoring as necessary, graded assignments, and provided feedback.

Co-Chair Sept 2005 - Nov 2005
QSCC, Minneapolis, MN
Oversaw operation of non-profit organization dedicated to student support. Successfully increased office hours and member groups, chaired constitution committee, acted as spokesperson for local and campus media, and built relationships with area health organizations.
